Mercer County Community College

Associates in Computer Science - 2023

Associates in Business Administration - 2018

Rutgers University

Full Stack Certificate - 2017

WORK EXPERIENCE

FedEx Ground : 2017 - 2023

My responsibilities as a package handler include loading several routes in an organized fashion while sorting other packages for employees down the line. Taking the time to remove damaged packages, sending missorted packages to the correct line and helping out other package handlers where need be.

Pine Environmental : 2016 - 2017

My responsibilities as a Horiba water quality technician included calibrating Horiba water quality units and preparing reports based upon my findings. Replacing any sensors that failed to pass calibration and helping end users troubleshoot problems they encountered in the field.

Amazon : 2015 - 2016

My responsibilities as Stow Team PA included leading daily warmups. Delegating where team members would work for the day. Solved any problems that other team members would have. Relay tasks between other departments and upper management.
